

## AERC Board of Directors Conflict of Interest Statements

Updated 5/11/2020

“I have identified any business or professional interest of mine which may be impacted by decisions of the AERC Board of Directors. This includes business or professional interests of me personally, of members of my immediate family, of my employer, or of any person or organization to which I regularly provide goods or services. I realize that examples of business or professional interests requiring disclosure include ride management, veterinary services for endurance rides, breeding or sale of endurance horses, sale or manufacture of supplies for endurance riding, or paid consultation relating to endurance riding.”
