

Abi-Khan+ Challenge 2019

Caesar Creek State Park, Waynesville OH

Sanctioned by AERC and OAATS

Saturday, 8/17: 50 / 30 / 14 Sunday 8/18: 30 / 14

Vet-in 5:00 PM. Ride start 7:00 AM each day.

Fees: 50 miles: \$90. 30 miles: \$75. 14 mile: \$45. Juniors half price.

Limited entries. Exact number will be determined by how many horses in each rig / ride. Please pre-enter by 8/1/2017. After that, contact Mickie for availability.

Send entries to: Mickie Newnam 3848 Milford Dr. Kettering OH 45429.

Make checks payable to Mickie Newnam. Minimum \$25 due with entry.

Terrain: Mostly flat, with some rolling hills and a few steep climbs. A fair amount of 2-track, so please plan your ride accordingly. Good water, very little crew area on trail.

Camping: There are 30 official sites, and we are allowed to double up. We also may camp down into the large day use area, and I have reserved the connected group camp for overflow. So there's plenty of room, but please keep corrals a decent size to be kind to your neighbors. Camping is \$20 per night, paid via self-registration to the park (except group camp, paid to ride management).

Directions: From I-71, go west on SR 73 to Furnas-Ogelsby Rd, and turn right. From I-75 or SR 42, go east on SR 73 to Furnas-Ogelsby Rd and turn left. Go approximately 2 miles, past the sign for Horseman's Group Camp to the Horseman's Camp. There will be a ride sign near the park sign.

For those of you who have been here the last few years, please note that there is NO spaghetti dinner this year. You're on your own.
