- Junior = FREE!
- Scheduled Volunteer = (-\$10)
- Military/Veteran = (- \$10)

TRAIL

Generally easy and very doable trail. Expect some hills. Great early season ride. Good footing, though hoof protection always a good idea. Expect cows, gates, single track, dual track, coyote trails, and farm roads. No water crossings. Wide open, no trees, and great views. Loops to be determined and expect an out-check for all distances, but this might change. Check ride Facebook page for pictures and updated details.
