Endurance riding is an athletic event for both horse and rider in which the first goal is to complete the marked trails; and the second goal is to ride this trail as rapidly as the condition of horse and rider allows. A qualified veterinarian and ride manager controls each AERC sanctioned ride to a certain extent. All equines must pass the thorough vet checks before and during the event before they are allowed to continue. After the ride, the equine must pass another thorough check before being allowed a completion.

Head Veterinarian: Melissa Ribley
Control Veterinarians: Dwight Hooten , Dennis Seymore, Emiliano Zamora

Campsite: Open Range, cross country, roads and trails. Binns Ranch is a family-owned and operated 82 section working cattle ranch.

Trails: The terrain here is, hard surface gravel roads, two-track roads, single trails. Trails will go through cattle pastures, wash crossings. Altitude differentials are 1500m-2700m. All vet checks will be in camp: loop lengths, hold times, and veterinary criteria will be discussed at the pre-ride meeting. For these trails you will need shoes of some kind!!

Intro Riders: The Intro Ride offers an opportunity for newcomers (riders and/or equines) to see what endurance is all about. Intro riders will complete a loop of approximately 10 - 15 miles and have a pre-and post-ride vet check. There is no minimum or maximum time for completion. There are no point or mileage accumulations, no placement awards, no best condition judging, nor are results reported to AERC. However if your horse successfully completes the ride, you will receive a completion award and have had the opportunity to experience the sport of endurance.

Intro Riders are required to have a current, negative coggins.

If you do not plan to camp Friday night, but plan to ride Saturday please attend the Friday Night Pre-Ride Meeting because it will be very beneficial in understanding the sport and outline of the ride.

Registration: Ends day of the ride

Make Checks payable to Karen DiCamillo

Liability Release

As a participant in the Indian Springs Endurance Ride, I _____ agree to abide by the rules of USEF, FEL, AERC, and the Indian Spring ride rules. I understand that endurance riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities, that these areas have many natural or man-made hazards which ride management cannot anticipate, identify, modify or eliminate: that horses can be excitable, difficult to control and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I am riding. I will hold the ride management, all ride personnel, and all property owners over whose land the ride covers, blameless for any accident, injury or loss and free from all liability of such injury or loss that may occur due to my participation in the ride. I have read and understand this liability release.
