

Lake Sonoma Endurance Ride

30 & 50 Mile Ride

75 Rider Limit

DIRECTIONS: Traveling North or South on Highway 101, take the **Canyon Road** exit in Geyserville. It is also marked with large brown signs reading **Lake Sonoma Recreation Area**. Travel West on Canyon Road for 2 miles where it ends at **Dry Creek Road**. Turn right (North) and travel 3 miles to the dam. Stay on the main road past all park headquarter buildings and travel up the hill. Cross the big bridge and continue North on the main road to **Lone Rock Trailhead**. Look for a right turn into camp.

CAMPING: The camping area is open at 12:00 noon Friday through noon Sunday. Those arriving before Friday will need to make accommodations with the Corps of Engineers. The camping space is very limited. In order to comfortably accommodate as many riders as possible, we ask that **portable corrals only be assembled on the perimeter of the parking area on a first come, first serve basis**. Manure and hay must be raked up and placed in the manure bunkers. If they are full, you will need to haul your manure and excess hay away. Please haul your garbage with you (i.e. if you haul it in, you haul it out). **There will be a potluck Friday night. If you plan to eat, please bring a dish to contribute - casserole, salad, dessert, etc.**

FEES: Checks will not be cashed until after the ride. There will be a full refund if you cancel by Friday, October 11, noon. There will be no refunds for no-shows. There is a \$20.00 late fee for late entries (postmarked after Saturday, October 12 (or sign up at the ride). Riders delinquent on payment at other rides will not have entry accepted.

TRAIL: This ride is well marked, lots of fun and scenic. You will ride through coast redwood, madrone, grey pine, and oak woodlands. There are plenty of beautiful views of Lake Sonoma as well as technical trails. There are jeep roads, narrow trails, blind corners, water crossings and some hefty climbs. The park trails are multi-use and home to wildlife including deer, pigs, turkeys, mountain lions, and bees. We will be riding in **their** home and ride management has no control over their behavior. **For these reasons, the trail is well suited for a challenging pleasure ride with emphasis on good horsemanship.** There will be a controlled start and all vet checks will be in camp. We will be grilling hot dogs and veggie burgers for lunch.
