LOCATION / DIRECTIONS: The Scout Camp, in the Carson River Ranch area of Fort Churchill State Historic Park, Silver Springs, NV. Camp is located approximately 11 miles south of Silver Springs (where you may find fuel, groceries, feed, and auto supplies) via US-95 ALT. Just south of Buckland Station on the banks of the Carson River turn east onto Simpson Rd (the Pony Express Route). Follow the Pony Express Route 1¼ miles east and turn left through the cattle guard into the Scout Camp. Ride Camp is open from Friday thru Sunday. Scout Camp is located adjacent to the Carson River. It is a large, dispersed camping area that includes picnic tables, fire rings with grill tops, two vault toilets, and multiple horse corrals. **Scout Camp is a carry-in, carry-out trash area. Horse manure needs to be picked up and carried out, or disposed of in the designated manure dump.**

HISTORY: The Carson River Ranches were acquired for public recreation in 1990, providing the first-ever opportunity to connect state park units. In 1994, the State of Nevada purchased the 3,229 acres of ranch land along the Carson River corridor between the Fort Churchill State Historic Park and the Lahontan State Recreational Area. Included in that purchase was the Bucklands Pony Express Station, which was restored and placed on the National Register of Historic Places in 1997.

NASTR TRAILS PROJECT: In 1998 -1999, NASTR members provided volunteer trail building labor for the project at several work parties. The project included clearing and signage for seven trail heads, a rest room and horse corrals, camp areas and approximately 30 miles of trail connecting the two State Park units, as well as BLM lands. The trails accommodate non-motorized users, equestrians, hikers, 4-h campers, hunters, mountain bikers and educational activities and canoeing on the Carson River.

PARK RULES: All vehicles subject to park fees, payable by cash or check only. Day Use \$5/vehicle/day. Overnight Camping \$15/vehicle/day. Quiet hours are in effect from 10pm-7am. Pets must be kept on a leash no longer than 6-ft or contained inside a vehicle; owners are responsible for cleaning up pet waste. Fires are restricted to portable stoves and grill or fire rings provided by the park; cutting, gathering, or removal of wood or plant material is not permitted. Leave no trace; please leave the area as clean or cleaner than you found it. |

Riders will enjoy scenic canyon climbs, desert washes, natural springs, stock tanks, dry lake terrain over jeep roads, and winding single track trail along the Carson River under the mighty cottonwood trees. The majority of the footing is sandy however there are some areas of rock. The trail is mostly flat with several gradual climbs. Crews will have access to all away-vet checks.
