This is a release – it contains limitations on liability – PLEASE READ.

I understand that under South Carolina State Law, an equine activity, sponsor or equine professional is not liable for an injury to or the death of a participant in an equine activity resulting from the inherent risk of equine activity, pursuant to Article 7, Chapter 9 of Title 47, Code of Laws of South Carolina, 1976.

As a participant in the TAKE NO PRISONERS Endurance Ride and Ride & Tie, I agree to abide by the rules and regulations of the AERC, SERA, and Take No Prisoners Endurance Ride. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards, which ride management cannot anticipate, identify, modify, or eliminate, that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for the animal I am riding and myself. I will hold the Kings Mountain State Park, the Friends of Kings Mountain State Park, the Kings Mountain National Military Park, the Southeast Endurance Riders Association, and the American Endurance Ride Conference, ride Management, and all ride personnel, and all property owners whose land the ride crosses, blameless for any accident, injury, or loss that might occur due to my participation in the TAKE NO PRISONERS Endurance Ride and Ride & Tie, and free from all liability for such injury or loss. The foregoing release applies to me and to any junior who I sponsor. This release becomes effective immediately upon my arrival at the Kings Mountain State Park and Kings Mountain National Military Park and remains in effect until I have completely left these grounds.

I have read and understand this liability release.
