Van Duzen Doozie
50/75/100

July 13, 2019

Welcome to the third annual Van Duzen Doozie 50, 75 and 100 mile endurance rides held under special use permit from the Six Rivers National Forest! We will be camping on the beautiful Van Duzen River and riding the river and the trails around it. This is an AERC sanctioned ride. All AERC rules apply. **ALL RIDERS MUST WEAR A HELMET WHILE COMPETING.**

Camp is in an undeveloped area of the National Forest with plenty of horse water via the river, but that is about it. Porta-potties will be brought in for the event. Participants are responsible for all their other provisions. We need to “leave it like we found it” so be prepared to haul off anything that came in with you, hay and manure included. Dogs must be kept on a leash at all times. Any participants in need of “special accommodation” need to contact ride management in advance of the ride.

Trails will consist of forest service roads, jeep roads, 4WD trails, and the river bar. There will be vet checks in camp and an out check for all 3 rides. Vet checks will be a gate into a hold. Elevation ranges from 2500’ to 4500’. It is recommended that horses have some type of hoof protection. These are mountain trails. That means rocks and lots of elevation change.

Pre-ride vetting will take place on Friday starting when the vets arrive. I am pleased to announce that our head vet/control judge will be Dr. Jennifer Powers-Maples. The pre-ride meeting will be at 7:00pm Friday. All rides will start at 6:00 am Sat.

Awards will be given for 1st overall, BC, 1st in each weight division, top 10 and completion. The awards breakfast will be Sun at 9 am and will feature steak, eggs, potatoes, fruit, beverage, etc.

Local accommodations include the Dinsmore Store which has just about anything you might need, including gas and diesel.

Directions from I-5, head west on Hwy 36 out of Red Bluff. Go approx. 95 miles (a little over 2 hours), turn left on Van Duzen Rd. From 101, head east on Hwy 36 out of Alton. Go approx. 45 miles (a little over an hour), turn right on Van Duzen Rd. Camp is 4 miles from Hwy 36 at the stop sign. These are mountain roads so please drive slowly.
