**READ CAREFULLY BEFORE SIGNING**

*I wish to participate in the Top of the Rock Endurance Ride. In participating I fully understand and recognize the risks and dangers involved, as well as the fact that significant unanticipated, uncontrollable and unexpected risks may arise during the ride. I understand endurance riding involves being in remote areas for periods of time, far from communications, transportation, and medical facilities. I recognize ride management cannot eliminate or control all potential hazards to me or my horse. I agree to hold harmless the ride management, landowners, ride members, and the agents from and against all loss or damage. I have read and understand this release.*
