**Agreement and Release of all Liability**

I, \_\_\_\_\_ (Print name of rider), the undersigned, in consideration of the acceptance of this entry hereby acknowledge that I have voluntarily applied to participate in the Tahoe Rim Ride. I, the undersigned, in consideration of accepting this entry, do hereby for myself, my heirs, executors, and administrators, waive and release NASTR, the Tahoe Rim Ride, its sponsors, Managers, Volunteers, and all individual members thereof and all other persons regardless of their capacity in any way connected with the event described herein, their representatives, heirs, executors, administrators and assigns from any and all right, claim or liability for damages, or for any and all claims of any kind and nature that I might have. As a participant in the Tahoe Rim Ride, I agree to abide by the rules of AERC and the aforementioned ride. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards which Ride Management expressly declines to anticipate, identify, modify or eliminate or warn against; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I ride. I release, hold harmless and indemnify the AERC, USFS, Nevada State Parks, Tahoe Basin Management Unit, ride management, all ride personnel, and all property owners over whose land the ride passes, from all liability arising from any accident, injury, or loss that might occur due to my participation in the ride. **I have carefully read this agreement and the attached Ride Rules & Notes. I understand that it is a complete release of liability and a promise not to sue or to make a claim – that it is a contract between myself and ride management.**

### **2020 Tahoe Rim Ride Rules and Notes**

The 2020 Tahoe Rim Ride (50 mile ride) will be held on July 25, 2020. After a successful 2019 ride Managed by Kim Mileo and a large band of NASTR volunteers, and in order to ensure the continuation of this beautiful ride, NASTR has taken on permanent management of the Tahoe Rim Ride.

Just like in prior years, an entry for the Tahoe Rim Ride is for a rig spot, and the spots are very limited in number. Each spot requires a paid entry for a minimum of two riders (of your choice), but if you have a 3+ horse rig, you may be able to bring an additional rider(s) for an additional fee in that same rig if total rider limit has not been reached.

Due to our limited space, we depend on ride-sharing to be able to continue to offer this ride. The minimum fee for a Rig Spot is \$350.00 (\$175.00 each for two Adult entries). If you do not have (or do not want) an additional rider in your rig, you may pay for the minimum entry fee (for 2 riders) and not bring a second rider with you.

If your Total Rig Length exceeds 45' you must get approval from management for that rig. If you are bringing 3 or more riders, length exceptions can be made, but must be approved by management.

All AERC Rules and Regulations apply. All riders must be pre-registered, we do not do registration at the ride

#### **Camp:**

**Traffic is one-way on Friday into camp - No drive thrus or drop-offs are allowed in camp.** Vehicles cannot come and go due to the size of and access to ride camp.

Space is very limited, so **no additional vehicles are allowed at ride camp**, only registered rigs, and vehicles pre-authorized by management (Vets, Volunteers, etc.)

If you can travel in a smaller rig or bring along an additional rider(s), it would be greatly appreciated. **All horses must be tied to rigs (Hi-ties attached to rigs are ok), corrals and/or hot wire pens are not permitted.**

All riders must arrive and check in on Friday 7/24 between 12:00pm and 6:00pm. There will be no vetting in on the morning of the ride.

Parking is assigned and you will be guided to a parking space when you arrive at camp and your rig has been measured.

Please do not arrive at basecamp prior to 12:00 noon Friday 7/24 unless you have made specific arrangements with management.

Parking is very tight, and there are no "street lights", everyone must be settled in camp before 6:00pm Friday night.

**There can be NO OPEN FIRES at basecamp.**

All riders are asked to pack-out what they bring in and clean up their area in the campground. Trash bags will be provided.

**Please plan to take your trash/manure out with you. DO NOT SPREAD OR LEAVE MANURE BEHIND**

### **Course:**

This is a difficult ride. It is a "True" 50-Mile ride with dramatic elevation changes. This is not a fast course and you must ride responsibly to complete. **Please ride your horse within its limits.** The elevation at Tahoe Rim Ride Base Camp is 7225'. Elevation at the top of first peak: 8980'. Elevation at second peak: 8980'. Elevation at third peak: 8660'. The total elevation gain / loss (Over 50 miles) for the Tahoe Rim Ride is +9500ft / -9500ft for 19000ft of elevation change!

The DI (Difficulty Index) using TopoFusion is 59 "Which ranks at the top of the difficulty scale when compared to rides of similar distance" according to Don Huston who prepared our maps.

There **WILL be public access to the course during the ride.** You will encounter hikers, bikers (on some of the trail), dogs, and other riders along the way, please slow down to a walk and approach each encounter in a safe and respectful manner.

There are a few technical areas along the trail with steps, steep side slopes, and three wooden bridges (No rails). This is not a "fast" course. **Please travel at a safe speed.**

Any pulls at the away camp must be hauled out through rugged, narrow, steep access roads and the round trip for the rescue trailer is appx. 3 hours.

### **Vetting & Vet Checks:**

There will be no vetting in on the morning of the ride.

A host of volunteers will be supporting you at the vet checks. Both vet checks are away from camp at the same location. Please bring a crew bag to be taken to the away vet check. Bags will be returned to camp after the away vet check has been closed.

There will be refreshments for riders (Sandwiches, Drinks and Goodies) and horses (Hay & Carrots) at the away camp (It is amazing!), but if you require anything special, please pack it in your crew-bag.

### **Crew/Volunteers:**

\*There will not be crew access to the course unless you have made prior arrangements with ride management to have your crew member **volunteer** at the away check and your crew must also help crew all riders and assist management as assigned thru the checks to be included in the caravan.

Access to the vet check is thru locked gates and requires a key & permit. Volunteers will meet management and caravan (In a limited number of assigned vehicles) to the away check. If you have crew that would like to volunteer at the Vet check, please let management know ASAP.

### **Thursday Arrival:**

Each year we have **one** of our riders/rigs come in early (Thursday at noon) to provide a presence in the camp so that we can leave equipment (Water, toilets, etc.) in camp over night.

If you are interested, please contact management as soon as possible. This is only available to one Rig. The permitting agency no longer offers our ride a 2-year permit. Each year depends on the smooth operation of the prior year.

Please help us keep this ride going and leave a positive impression on the people you encounter on the trail and please **LEAVE NO TRACE**. Thank you for your participation in this ride, and we look forward to seeing you!

### **Fee & Cancellation Policy:**

Full entry forms and all fees must be received for ALL RIDERS with your entry (If you do not have your guest rider(s) set, you may send in the entry forms "TBD" and provide the guest rider information no later than July 1, 2020.

Cancellations received no later than June 25, 2020 will receive a full refund. Any cancellations after June 25, 2020 will be subject to a \$35.00 administration fee. No refund will be issued for cancellations received after July 10, 2020 unless your spot is filled from the waiting list (Administrative fee will be subtracted from the refund).

**No refunds will be issued for cancellations received after July 17, 2020. Checks will be cashed upon receipt.**
