

# Iowa Distance Riding Clinic

## September 13th, 2020

- An educational session and about a 6 mile mock ride will be provided for those who want to start learning about the sport. You can attend the mock ride and the lecture, or just the lecture. The lecture will be from 9AM-12PM and the mock ride will be from 1PM-3PM.
- There are 15 spots available for the mock ride and 5 audit spots available for the lecture (More audit spots will be available if the 15 mock ride spots are not filled. Will accept a maximum of 20 between the two).
- The fee for the clinic will be \$20 for those participating in the mock ride and lecture and \$10 for those who are just attending the lecture. A lunch will be provided after the lecture and before the mock ride.
- The clinic will take place at the equestrian campground at Elk Rock State Park, Knoxville, IA. Camping is available at: <https://iowastateparks.reserveamerica.com>
- In the case of inclement weather, just the educational session will be held at the park. If a large amount of rain for the whole weekend is predicted the clinic will be cancelled and refunds for the clinic will be issued. The call for cancelling the clinic due to weather will be made on morning of Friday 9/11/2020.
- Please reserve your spot for the clinic by completing the form found on our website: [iowadistanceriders.wordpress.com](http://iowadistanceriders.wordpress.com)
- The reservations are first come, first serve. The form is due by September 5th.

Contact Brooke Moeller at [guianowriter@gmail.com](mailto:guianowriter@gmail.com) if you have any questions.
