Liability Release

As a participant in the Lizard Run Endurance Ride, I agree to abide by the Rules of AERC and the aforementioned ride. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards which ride management cannot anticipate, identify, modify, or eliminate; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I am riding. I will hold AERC, ride management, all ride personnel, and all property owners over whose land the ride passes blameless for any accident, injury, or loss that might occur due to my participation in this ride, and free from all liability for such injury or loss.
