

LAST HOORAH! Endurance Ride 25/50 and INTRO

May 13, 2023

Six O Ranch Cleburne, Texas

Sanctioned by AERC and TERA, all rules apply. Negative Coggins required and WILL be checked at the gate for each equine in the trailer, upon arrival.

Endurance riding is a timed athletic event for both horse and rider. The event is open to all breeds of equine (horses, mules and ponies) at least 48 months old for 25 miles or 60 months old for 50 miles. The first goal is to safely follow a marked trail in the proper direction without missing any trail. The second goal is to ride the trail as quickly as the condition of the horse allows, successfully pass all vet checks, and finish with a healthy, sound horse.

As a participant in the Last Hoorah! Endurance Ride, I\_(please print) \_\_\_\_\_ agree to abide by the rules of AERC, TERA , and Last Hoorah! ride rules. I understand that endurance riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities, that these areas have many natural or man-made hazards which ride management cannot anticipate, identify, modify, or eliminate: that horses can be excitable, difficult to control and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the animal I am riding. I will hold the ride management, all ride personnel, and all property owners over whose land the ride covers, blameless for any accident, injury or loss and free from all liability of such injury or loss that may occur due to my participation in the ride. I have read and understand this liability release.
