**THIS IS A RELEASE – IT CONTAINS LIMITATIONS ON
LIABILITY- PLEASE READ IT**

As a participant in the Hokey Pokey Endurance Ride, I agree to abide by the rules of AERC, SERA, SEDRA, and or the Ride & Tie Organization, as well as the Hokey Pokey Ride. I understand that endurance riding

involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards, which ride management cannot anticipate, identify, modify, or eliminate; that you will be riding in a state forest which is open to the public; that there is a long distance trail run being held at the same time on the same trails as the horses; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for the animal I am riding and myself. I will hold the Hokey Pokey Ride, the Southeast Endurance Riders Association, Southeast Distance Riders Association, the American Endurance Ride Conference, ride management, all ride personnel, and all property owners whose land the ride crosses, blameless for any accident, injury, or loss that might occur due to my participation in the Hokey Pokey Endurance Ride and free from all liability for such injury or loss.

I have read and understand this liability release.
