ReactorPanel Saddle Company

🌀 Platinum Level Convention Sponsor 🌀

Visit with Dana Gasner, Sarah Maass and Janet Cram

(510) 698-6272

Website: reactorpanel.com

E-mail: dana@reactorpanel.com

Fairfax, Minnesota

ReactorPanel saddles reflect the best of the traditional saddle maker's art partnered with innovative design and testing and are the "National Best Condition Sponsor." Because of the unique flexible panel system of the RP saddle, along with being adjustable for even difficult-to-fit horses, customers find that they have a better connection with their horse and that the horse can move more freely. We are dedicated to providing you with a saddle that is the best possible fit for you and your horse.

Redmond Equine

Visit with Mike Mumford

(801) 599-4347

Website: RedmondEquine.com

Email: mikem@redmondequine.com

Riding Warehouse

🌀 Platinum Level Convention Sponsor 🌀

Visit with Alisha Goto and Alison Poorman

(800) 620-9145

Website: ridingwarehouse.com/trail.html

Email: alisha@ridingwarehouse.com

San Luis Obispo, California

Tack, apparel, and everything in between for the endurance/trail riders and their horse!

Scoot Boots

Visit with Stacy and Mike Pratt

(402) 310-4060

Website: ScootBoots.com

Email: marketing@scootboots.com

Seymour, Missouri

Scoot Boots are a superior hoof boot. They are constructed of a strong material called thermoplastic urethane (TPU). TPU has high abrasive and shock-absorbing qualities, making them extremely robust and lightweight. They won't get soggy or heavy when riding through mud and wet terrain.

Specialized Saddles

Visit with Tracy and David Kaden
(915) 345-4130
Website: SpecializedSaddles.com
Email: specializedsaddles@gmail.com
