THIS IS A RELEASE - IT CONTAINS LIMITATIONS ON LIABILITY.

As a participant in the MOONSHINE RUN ENDURANCE RIDE, I agree to abide by the rules of AERC, SERA, ride management, and DAWSON FOREST. I understand that endurance riding involves being in areas that have many natural and man-made hazards which ride management cannot and declines to anticipate, identify, modify, or eliminate; that endurance riding involves being in remote areas for extended periods of time, away from communications, transportation, and medical facilities; that horses can be excitable, difficult to control, and unpredictable; that as a result of participating in the MOONSHINE RUN ENDURANCE RIDE, my horse or I may be injured, die, or my property damaged; and that accidents can happen to anyone at any time. It is expressly understood by the undersigned that Ride Management, all involved property owners, and all ride personnel will not endeavor to mark any and all hidden, obvious or potential hazards but will merely mark the trail to be used. I agree to take full responsibility for the animal that I am riding and myself. I will hold the ride management, all ride personnel, Dawson Forest, the State of Georgia, City of Atlanta and all property owners over whose land the ride crosses blameless for any accident, injury, or loss that might occur due to my participation in the MOONSHINE RUN ENDURANCE RIDE and free from all liability for such injury or loss. In consideration for permission to enter and participate in the MOONSHINE RUN ENDURANCE RIDE, I do hereby for myself and my heirs release and hold harmless ride management, ride personnel, all property owners over whose land the ride crosses, AERC, SERA their agents, officers, servants, employees and officials, from all claims, demands, actions and causes of any kind, for injury or death sustained by me or my horse, and damage to my property, incurred during this ride, arising from negligence or any other fault. The foregoing release applies to me and to any junior who I sponsor. This release becomes effective immediately upon my arrival at Dawson Forest WMA and remains in effect until I (we) have completely left these facilities/grounds.

In the event the rider is incapacitated, I agree to allow the treatment vet to reserve judgement in treating horse in order to stabilize its condition. I agree to pay the vet for these services.

I have read and understand this liability release.

Footing – Hoof protection is recommended and HIGHLY ENCOURAGED if you are planning a fast ride.

Trails consist of some hard packed dirt roads, some gravel roads, minimal asphalt road, and single track wooded trails with some rock and root in places. There will be plenty of elevation changes throughout each loop. The sections of gravel road should have access to the sides.

These are not horse trails only. Please be courteous, slow down and ask to pass.
