## **Extra driving directions :**

**Driving Instructions. \*\*\* Important as coming in from certain directions (notably north) your GPS may take you to 10 th line, it is NOT possible to access the campsite via this route with a big rig, you have to go under a small bridge which is only 11 feet high. Turn around if you end up on 10<sup>th</sup> line.**

**From the northeast get to County Rd 10 or County Rd 28, go south until you get to County Rd 9 (also called Ganaraska Rd). Go West on County Rd 9 until you reach Deans Hill Rd, turn right, follow to the end, turn right then a left onto Walker Rd .**

**From the West , if you are using the 407 , get to County Rd 9 ( Ganaraska Rd) you will be heading east, you are going to go left onto Hillcrest Rd, it is a small “country” road however only about 2kms and a much better turn than Deans Hill Rd which , if you are coming from the West on County Rd 9, is a tough turn for big trailers. At the end of Hillcrest turn right, then will go left onto Walker Rd.**

**From both West and East if you are using the 401, take the County Rd 10 ( Welcome ) exit, go north, turn left ( west) onto Country Road 9 ( Ganaraska Rd) , proceed to Deans Hill Rd , turn right, at the end of Deans Hill Rd, turn right, then left onto Walker Rd.**

## INFORMATION

Welcome to the **Memorial Ride**. We hope you enjoy the ride and the trails. ☺

### Parking

Keep as close to your neighbour as is safe. Please be respectful of our host, Dave Walkers' property at all times.

\*\*\*DO read the driving instructions as close to the property there is one road with a low bridge, and you cannot get a large trailer under it! DO not use this road, it is called 10 th line, to make matters confusing, coming from the north you will likely be on County Rd 10- this one is ok to use as it is a major road.
