RIDE CAMP - GPS Coordinates 30.6810 -89.0390

Ride camp is primitive camping area with flat easy parking. There will be water available for horses but no people water. Some trees are available in some areas of camp for those who high tie. Portalets will be available. No dumpsters available, so if you pack it in, please pack it out. Parking may be tight, so try and minimize your footprint. No generator cut off time due to 100 milers being out. Efforts will be taken to park all 100 Milers in same general area close to vet check. However, if this is not feasible, be considerate of neighbors and coordinate among yourselves. There will be a farrier on grounds.

ALL vet checks will occur in camp.

TRAILS - Trails are permanent forestry horse trails with very little sand, low gentle rolling hills with some hardwood bottoms. There will be some dirt & gravel roads, some with shoulders. Shoes or boots are recommended. Plenty of water available on trail with some shallow water crossings pending rain.

100 MILE MENTOR PROGRAM - For the 100 mile riders, we are offering a \$25.00 mentor discount for any Mentor / competitor that rides with and assists a Mentee throughout the ride. This would mean that you start with, ride with, and finish with a Mentee. Should either the Mentor or the Mentee be pulled or unable to complete the ride, the discount will still be applied. In the case of a Mentor being eliminated, ride management will make every effort to find an alternate Mentor to continue with the Mentee. Should a Mentor and a Mentee elect not to complete the ride together, then the Mentor will not be eligible for the mentor discount and will be required to pay the full entry fee. Efforts will be taken to arrange compatible match ups.

Two Same Day Separate LD Rides:

1. Both rider and horse may participate in both.
2. Rider may ride both on two separate horses
3. Horse may participate in both with two separate riders

The two LD rides will be separate rides **NOT Elevator**

As a participant in the Hunting for Bigfoot Endurance Ride on October 12, 2024, I hereby agree to comply with any rules of AERC, SERA, SEDRA and the conditions and regulations of this event. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation and medical facilities, that these areas have many natural and manmade hazards which ride management cannot anticipate, identify, modify or eliminate. I understand that horses can be excitable, difficult to control and unpredictable, and that accidents can happen to anyone at anytime. I assume full responsibility for myself and the animal I am riding or in my care. I will hold AERC, SERA, SEDRA, it's officers and all individual members thereof, all ride personnel, and property owners over whose land I may cross, their representatives, successors and assigns, blameless for any accident, injury or loss that may occur due to my participation in the Hunting for Bigfoot Endurance Ride. I further agree to hold any and all of the aforementioned individuals and organizations free from all liability for such injury or loss. This release extends to all claims of every kind and nature whatsoever, whether known or unknown, and I expressly waive any benefits that I may otherwise have under the provisions of the laws of Mississippi relating to the release of unknown claims. I understand that this release constitutes a limitation upon my legal rights.

UNDER MISSISSIPPI LAW (Code § 95-11-5), AN EQUINE ACTIVITY SPONSOR OR EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES.

I hereby certify that my horse is not under the influence of medication and will not be treated with or given any medications prohibited by AERC rules. I also hereby give permission to AERC or it's duly appointed agent to take any appropriately action deemed necessary to check for possible administration of drugs to my horse. The undersigned verified acceptance for risks and responsibility for rider's and horse conditions and certifies that all information on this form is correct to the best of his/her knowledge.

I give consent for and will be financially responsible for emergency medical treatment for myself and/or the horse that I am riding or is in my care if I am unable to give informed consent.
