The Roadrunner Scramble Liability Release

Liability Release As a participant in the The Roadrunner Scramble Ride, I, _____ agree to abide by the rules of AERC, TERA, and the The Roadrunner Scramble ride rules. I understand that endurance riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities, that these areas have many natural or man-made hazards which ride management cannot anticipate, identify, modify or eliminate: that horses can be excitable, difficult to control and unpredictable; and that accidents can happen to anyone at anytime. I agree to take full responsibility for myself and the animal I am riding. I will hold the ride management, all ride personnel, and all property owners over whose land the ride covers, blameless for any accident, injury or loss and free from all liability of such injury or loss that may occur due to my participation in the ride. I have read and understand this liability release.

Directions: Six O Ranch, 11404 FM 200, Cleburne, TX 76033

Roughly 1 hour south of Fort Worth. In Cleburne take HWY 67 south towards Glen Rose. At Park Road 21, turn left and go 7 miles. Go PAST the Cleburne State Park. At Farm Road 200 turn right and go 3 miles. At the Black mailbox turn right and proceed up the concrete driveway to ride camp. Wait for directions to be parked.

TRAILS: Trails consist mostly of ranch roads, wooded sections, open meadows, and rocky hills. This area has a lot of natural rock so shoes are recommended. Plenty of room to move out and make time, and one "mountain" to climb.

RULES: Endurance is an athletic event for both horse and rider. The goal is to complete the marked trail within the time given as established by AERC standards with an equine that is fit to continue from checkpoint to checkpoint. Equines must pass a complete vet check before, during, and after the ride. All AERC rules will apply. Safety helmets are recommended for all riders, but are required for juniors at any time they are on their equine, in camp or on trail. Junior riders must be accompanied by a designated adult sponsor (21 years or older) at all times during the ride. Juniors riding as Seniors must show AERC approval.

GATE HOURS: Camp will open on Friday at 10:00am, and close Monday at 10:00 am. Water for horse and human is available in camp. Vet checks will be in camp.
ALL manure and hay must be spread nicely!

CAMPING: Camp is in an open field with NO trees. Horse water is available. All dogs must be on a leash and NO DOGS ALLOWED in the shop where ride meeting takes place OR at the food truck! The camping fee and day rider fee is included in your ride entry. Trail access is private, no riding on the trails unless you are entered in the ride.. Generators off at 9:30 pm, on at 5:30 am. There WILL BE a generator area for all night generators. If all goes well we will have a parking attendant to park you.

Weather: December in Texas can be anything from warm (highs in the 80's) to frigid (highs in the 30's). Come prepared for just about anything!! Ride will go on unless there is a flood the week of. Please ignore any people talking about cancellation unless it comes from myself!! (Kerry Lowrey) Thank you & Hope to see you there!!
