Website: reactorpanel.com

E-mail: dana@reactorpanel.com

Fairfax, Minnesota

ReactorPanel saddles reflect the best of the traditional saddle maker's art partnered with innovative design and testing and are the "National Best Condition Sponsor." Because of the unique flexible panel system of the RP saddle, along with being adjustable for even difficult-to-fit horses, customers find that they have a better connection with their horse and that the horse can move more freely. We are dedicated to providing you with a saddle that is the best possible fit for you and your horse.
