This is a release - it contains limitations on liability - read it			
<p>As a participant in the Big South Fork Endurance Ride, I agree to abide by the rules of the AERC, SERA, SEDRA and Big South Fork Endurance ride. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards, which ride management cannot anticipate, identify, modify, or eliminate; that horses can be excitable, difficult to control, and unpredictable; and that accidents can happen to anyone at any time. I agree to take full responsibility for the animal I am riding and myself. I will hold the Knoxville Arabian Horse Club, Region XII of the Arabian Horse Association, The Arabian Horse Association, Southeast Endurance Riders Association, South East Distance Riders Association and the American Endurance Ride Conference, ride management, all ride personnel, and all property owners whose land the ride crosses, blameless for any accident, injury, or loss that might occur due to my participation in the Big South Fork Endurance Ride and free from all liability for such injury or loss.</p>			
I have read and understand this liability release.
