## RELEASE OF LEGAL LIABILITY

Please read the Kentucky Equine Liability Law, the release and then sign.

**KRS 247.4027: Under Kentucky law, a farm animal activity sponsor, farm animal professional, or other person does not have the duty to eliminate all risks of injury of participation in farm animal activities. There are inherent risks of injury that you voluntarily accept if you participate in farm animal activities.**

I wish to enter and participate in the Shake It Up Endurance Ride to be held at Shaker Village at Pleasant Hill, 3501 Lexington Road, Harrodsburg, Kentucky. The dates I may participate are May 9th-10th, 2026. As a participant in the Shake It Up endurance ride, I agree to abide by the rules of AERC, and ride management. I understand that endurance riding involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities; that these areas have many natural and man-made hazards, which ride management, cannot anticipate, identify, modify or eliminate; that horses (equines) are excitable, difficult to control and unpredictable; that accidents can happen to anyone at any time. I agree to take full responsibility for myself and the equine I am riding/handling. I will hold ride Daniel Boone Distance Riders, LLC, American Endurance Ride Conference, ride management, all ride personnel and volunteers, all veterinarians and Shaker Village of Pleasant Hill, Harrodsburg, Kentucky, and all property owners over whose land the ride crosses blameless for any accident, injury or loss that might occur due to my participating in the ride, and free from all liability for such injury or loss. This release extends to all claims of every kind and nature whatsoever, whether known or unknown, and I expressly waive any benefits that I may otherwise have under provisions of the laws of the Commonwealth of Kentucky relating to the release of unknown claims. I understand that this release constitutes a limitation of my legal rights.

**I have read and understand this liability release.**
